New Wrappers for Timberline® Natural Shadow® Shingles

In order to better serve our customers and provide improved product identification, all Timberline® Natural Shadow® Shingles that are currently produced at GAF plants will have a newly designed wrapper.

Pictures of the old and the new shingle wrapper designs are shown below. No product changes have been made; therefore, **both products from the old and new versions of the wrappers can be mixed on the same roof.**

“NEW” Bundle Wrapper Logo
